

# Enterprise TROOPERS

Primary School Competition

Key Stage 2

## Activity 1: What should we do?

### Learning Objective

To generate ideas for an enterprise project for the national competition.

### Entrepreneurship Characteristics

#### Creativity

- Lateral thinking – ideas generation
- Spotting and creating opportunities
- Innovation

#### Organisation

- Decision making

### Learning activities

Introduce the class to the Enterprise Troopers and the national enterprise competition.

Present the pupils with the Enterprise Trooper's challenge i.e. to think of an enterprise project for the national competition.

Ask pupils to think about questions such as:

- "What are we good at?"
- "How could we use our skills?"
- "What events are coming up in school?"
- "What product/service could meet a need in school or the community?"
- "Who could help us?"

Working in groups, ask pupils to think of and prioritise ideas for a class product or service.

Groups explain their choices with reasons to the class. Opportunity for peer evaluation.

Ask the class to vote to make a collective decision on the best enterprise idea.

# Activity 1:

## What should we do?

Key Stage 2

### Learning outcome

Pupils will generate imaginative ideas and begin to identify needs by asking questions or thinking of ideas as a group.

### Resources needed

- ICT
- Interactive whiteboard

### Curricular links

#### 1. Literacy and Numeracy Framework

##### Literacy

##### Oracy across the curriculum

Developing and presenting information and ideas;

- Speaking
- Collaboration and discussion.

#### 2. PSE

- Understand that money is earned through work and can buy goods and services.

#### 3. Design and technology

- Use a range of information sources to generate ideas for products.
