

Enterprise TROOPERS

Primary School Competition

Key Stage 2

Activity 11: We can do it

Learning Objective

To carry out and complete an enterprise task using a range of organisation skills.

Entrepreneurship Characteristics

Attitude

- Self-confidence
- Determination

Relationships

- Working with Others

Organisation

- Planning
- Managing Resources

Learning activities

The pupils should now be ready to make the product/provide the service and begin trading.

Pupils plan the practical arrangements for their enterprise project and agree and assign tasks.

Pupils begin trading, selling their product or providing their service.

Pupils keep a tally of sales/ money received.

Pupils make a photographic record of their enterprise project.

After the enterprise activity hold a class debriefing session to discuss what each group has achieved and what else needs doing.
