

# Enterprise TROOPERS

Primary School Competition

Key Stage 2

## Activity 2a: Who shall we speak to?

### Learning Objective

To help develop research and planning skills.

### Entrepreneurship Characteristics

#### Relationships

- Presentation
- Communication

#### Organisation

- Planning
- Research – understanding the environment

### Learning activities

Discuss the enterprise ideas generated in Activity 1.

Pose the question “Who could we ask to find out more about our enterprise idea?”.

Discuss inviting a representative from a local enterprise/business to visit the school.

In groups, using local directories, websites, newspapers, map of local area etc. pupils research local enterprises relevant to their project idea within their locality.

Groups present their findings to the class and a class decision is made about which local enterprise/business to invite.

Pupils write invitation letters and/or make a telephone call to the chosen enterprise to arrange a visitor.

Prospects Cazbah have Partnership Engagement officers who may be able to assist the school in making a link with a local business.

Pupils use their research findings to prepare questions to ask the visitor.
