

# Enterprise TROOPERS

Primary School Competition

Key Stage 2

## Activity 2b: Where shall we go?

### Learning Objective

To help develop research and planning skills.

### Entrepreneurship Characteristics

#### Relationships

- Communication

#### Organisation

- Planning
- Research – understanding the environment

### Learning activities

Discuss the ideas generated in Activity 1.

Pose the question “Where could we go to find out more about our chosen idea?”

Discuss a group visit to a local enterprise. The visit could relate to a business providing a similar product/service or a charity or organisation that the enterprise will raise money for.

In groups, using local directories, websites, newspapers, map of local area etc. pupils research local enterprises relevant to their project area within their locality.

Groups present their findings to the class and a class decision is made.

As a literacy activity, pupils write letters and/or make a telephone call to the chosen enterprise to arrange a visit.

Prospects Cazbah have Partnership Engagement officers who may be able to assist the school in making a link with a local business.

Pupils prepare questions to ask on the visit.
