

Enterprise TROOPERS

Primary School Competition

Please Help our School Become Enterprise Troopers!

The Enterprise Troopers Primary School Competition will nurture the next generation of entrepreneurs in Wales. It aims to develop pupils skills and attitudes for enterprise in a lively and enjoyable way.

We need help from experts like you, entrepreneurs who have developed their own ideas and now run a successful business.

How you can help

We know entrepreneurs are busy people, so how you give your time is up to you. You could:

- Be somebody who can help us come up with a great business idea.
- Visit us to tell us what it was like for you setting up in business.
- Be a mentor who can advise on what to do to succeed.
- Support us when we need to solve a particularly difficult problem.
- Be our very own 'Dragon' from the Den and be honest with us if you think our idea could be better.
- Any other way you see fit.

Why you should help

- It will help your business and show you care about your community.
- It might help you come up with great ideas for your own business.
- We promise to share the glory with you if we win.
- You'll have a great time.

The Enterprise Troopers competition is part of the Welsh Government's Youth Entrepreneurship Strategy to help young people aged 5-25 explore ideas for business.

For more information, or to find out about becoming a Big Ideas Wales Role Model, please visit the Big Ideas Wales website.
